Other Ways to Steer Donations to VIBE

- **Raise Right:** Sign up for www.RaiseRight.com. When you purchase gift cards for major retailers, they'll donate a percentage to VIBE. (ENROLLMENT CODE: 7UJTNVRQTRVC)
 - **Download the app.** Send the link to family and friends so they can support VIBE, too! Purchase gift cards for yourself to spend at Stop & Shop, Amazon, Starbucks, etc.
- **Volunteer Time Matching:** Get your employer to match your VOLUNTEER TIME with a donation through Benevity.org - <https://causes.benevity.org/user>
- **Donation Matching:** Find out if your employer has a donation matching program and ask them to match your donations. ASK if they'll match your participation fee as well.
- **Directed QCD:** For people over age 70.5 who must take a Required Minimum Distribution from their IRA each year, making a Qualified Charitable Distribution directly to a non-profit like VIBE Show Choir Supporters can reduce taxable income and help avoid increases in medicare insurance premiums. **Tell your family about this!**
- **Donor Advised Fund (DAF):** An investment account for philanthropic giving that offers an immediate tax benefit and the flexibility to support your preferred charities. Provide a one-time donation to help with expenses this season, set up a recurring donation to help each season, or name Vibe Show Choir Supporters as the beneficiary for your DAF to provide support after your lifetime.
