Vibe Show Choir Supporters
Request for Support

For Daniel Hand High School's award-winning show choir Vibe, there's nothing more important than fostering our students' interest in music, dance, band and stage crew, while making life-long connections with their peers, both in Vibe and in other show choirs across New England. Vibe finished a very successful 2023-2024 season, with multiple first place finishes, including best vocals, best choreography, best band, best show design, best soloists and best crew. In addition to placing first at a national competition in New York City, HomeRoom Show Choir ranked Vibe #1 in New England. Check out videos of past performances on the bottom of our homepage www.DHHSVibe.com.

Vibe's success is a testament to the hard work and dedication of everyone involved in the program. Our annual budget is approximately $100,000, which is a fraction of many of our peers. The majority of funds are from donations, and each year we are stretched to meet our budget needs. We won't be able to keep serving our team of approximately 75 students and helping them reach their goals without important partners like you.

We are seeking official sponsors for our 2024-2025 Season - Vibe's 25th Anniversary! In return, Vibe would feature your company as our sponsor at our annual Cabaret concert that is attended by over 1,000 people, on our website, and on our banner announcing the cabaret seen by all driving down Rt 79 in Madison.

Vibe Show Choir Supporters would be happy to start a partnership at any level! However, suggested levels can be found on the next page, along with pricing for purchasing advertising/personal message space.

Thank you for your consideration! Please reach out to us for more information.
